

7 Primula Street Nudgee QLD

3 1 2

Positioned on a large block of land 776m2 !!!This home is in need of some tender loving care and offers enormous potential for renovation or development in a prime location close to shops, transport, Nudgee Beach and less than a half an hour's drive from Brisbane's CBD.

Currently there is a three bedroom house situated at the front of the block with solar panels and a single garage. The land is zoned Low Density Residential, with the size of the land able to potentially accommodate a second dwelling (STCA) at the rear of the block.
